Chattisham Church Questionnaire

Thank you

A massive thankyou to all those who returned the church questionnaire. We were really pleased with the response - there was a wide range of views, but a good consensus too and lots of offers of help which we will be delighted to take up. The PCC is considering the best way of approaching the next steps, including taking professional advice on costs.

We will keep posting updates in the Link. In the meantime if you would like to know more about the results, please email either Margaret (maeandra@gmail.com) or Mark (mark@markwalters.eu).

Friends of Hintlesham with Chattisham Churches

A big thank you from the Friends to all those people who kindly helped organise the Restoration Supper on the 16th February. NOTES FROM THE MEETING OF THE PARISH COUNCIL HELD IN THE COMMUNITY HALL ON THURSDAY 14TH FEBRUARY 2019 at 7.30 pm

Present at the meeting were District Councillors Barry Gasper and Nick Ridley, 9 Parish Councillors and 2 members of the public. Apologies for absence were received from County Councillor Christopher Hudson and Parish Councillors Ben Cox, John Whyman and Jamie Bostock.

County Council Report; Although Cllr Hudson was absent from this meeting, he had arranged a recent meeting with the Babergh Alliance of Parish and Town Councils and Steve Merry(Transport Policy & Development Manager, SCC) to discuss the Orwell Bridge Closure Strategy.

Babergh DC Report; Nick Ridley reported on a proposed development of up to 114 homes to be built on land adjacent to the Wildman Public House. He thought that the suggested closure and realignment of Burstall Lane intended as mitigation, would actually only exacerbate an already chronic traffic problem. Barry Gasper said that Chief Executive, Arthur Charvonia had presented a balanced budget at a recent Babergh Committee Meeting. However, this included borrowing a further £50 million from the Government, which is then lent to Sifco Capital Ltd, which then hopes to make a profit, which is then reinvested back to Babergh. The £50 million is split equally between Babergh and Mid Suffolk District Councils. Cllr Gasper also said that as the loan is included in the Budget, to vote against the loan would also mean voting against the Budget.

District Council Elections May 2nd 2019; Due to recent Local Government Boundary changes, our Parishes will now be in a new Ward called Washbrook and Copdock, and will be represented by a single District Councillor. Sproughton & Pinewood will form another new single Councillor Ward.

Contrary to what he had previously stated, Nick Ridley mentioned that he would be standing for election to represent the Sproughton & Pinewood Ward. It seems that Cllr Ridley's farewell tour is lasting even longer than Frank Sinatra's.

THE CULTURE CLUB

On March 21st, the Culture Club is going to the New Wolsey Theatre, Ipswich to see **"Kiss Me Quickstep"**. Written by one of Britain's most consistently popular female dramatists, Amanda Whittington, this production is a sequin studded warm-hearted ballroom drama. It is a bittersweet comedy that reveals the backstage stories behind the fabulous frocks, fixed smiles and fake tan, looking at the real lives of those for whom dancing is everything.

If you are interested in receiving information about future cultural events that we will be going to, please contact me at caroline@thefarralls.co.uk.

Tuesday *Circle*

We were very pleased and flattered when our speaker for February commented later that our members were "a very friendly and engaging crowd", and thanked us for our generosity to her charity, Lighthouse, which provides a place of safety for abused women and children In Ipswich. It was a thought-provoking and moving talk and we were glad to be able to help.

In lighter mood, the talk on the 5th March is entitled "Honey, a Journey from Flower to Jar". The speaker is Chris Stephens who comes highly recommended.
