## St. Nicholas Church, Hintlesham

We are pleased to be able to welcome everyone to our lovely medieval church. It is a particular joy to welcome those of you who choose to marry here, to have your children baptised or return family members to rest in our peaceful churchyard.

Unfortunately these opportunities are at risk because the roof is in need of repair. **We are close to our target for the repair work but need your help to cover a shortfall of £10,000.**

**Please would you buy a roof tile** (or more than one!), **at £10 each**, to help save this historic building which holds so many memories of village life.

Cheques should be made payable to: Hintlesham and Chattisham Church Restoration Fund and if you wish to gift aid, please ask us for a form.

**Churchwardens: Jenny Cox, 39 Timperleys Hintlesham. 652466  
Cathy Leney, Park Farm Hintlesham. 652123**

### Christian Aid Collection

Thank you all so much for your support.

We were able to send £1084.86, of which £800+ was gift aided.

A big thank you to the collectors.

We very much enjoyed Claire Muckleston 's very humorous talk about her life, Bourne Garden Centre and the plants grown there. She brought some lovely and unusual plants with her, most of which were bought by members.

In July we are off to the seaside for an evening in The Hut on Felixstowe seafront, starting at 7.00PM and entailing fish and chips and maybe a paddle if the evening is warm.

**Hintlesham & Chattisham School**  
**Sainsbury vouchers**

All the staff and children at Hintlesham and Chattisham school would like to say an enormous thank you to everyone who has been collecting Sainsbury vouchers for us. They often appear in our letter box from our neighbours and we are very grateful for them. **So far we have over 7,000** - a record number for our school!

If anyone has any more lurking in their bags or homes, we can still accept them up to the 30th June. We will let you know what equipment we use them for.

**LINK DISTRIBUTION**

John Martin of Claremont Nursery has recently moved house and I would like to take this opportunity of thanking him very much for distributing The Link every month to his area of Hintlesham. It was much appreciated.

Unfortunately, to date we haven't had any volunteer willing to take over John's patch which entails delivery to 12 properties along Back Road. If anybody would be able to help with this, please contact me (details on front page), and in the meantime, if you live in that part of the village and would like your Link delivered by email, please let me know. Helen

**TO EXISTING DISTRIBUTORS OF LINK**

I am attempting to streamline the distribution of The Link. However, we are pretty thin on information about exactly who does what. I would therefore appreciate it if you could all let me have details of the properties you deliver to in your area plus your contact details - email and/or 'phone number.

Many thanks. **Helen**

**NOTES FROM THE PARISH COUNCIL MEETING HELD IN THE  
COMMUNITY HALL ON THURSDAY 8<sup>th</sup> June 2017 at 7.30 pm**

---

Present at the meeting were 9 Parish Councillors, County Councillor Christopher Hudson, District Councillor Nick Ridley and 4 members of the public. Apologies for absence were received from Barry Gasper, John Whyman, Stuart Kellet and Diane Chase.

**George Street Road Safety;** Richard Young, a resident of George Street, informed the meeting that a Police Official had been taking speed readings outside his property on 7 separate occasions this year, starting in early February and finishing on May 31st. This has resulted in 126 motorists be reported for prosecution for exceeding the 30 mph speed limit.

**County Council Report;** In a brief report, Cllr Hudson informed the meeting that the A1071 through Hintlesham was a dangerous road, and something needed to be done to improve road safety.

**District Council Report:** Nick Ridley has been selected as Chair of Babergh's Planning Committee and Barry Gasper has been selected as Chair of the Overview and Scrutiny Committee. Although well over 1000 Planning Applications have been approved in the past 12 months, Cllr Ridley informed the meeting that Babergh did not have the required 5 Year Land Supply. This was likely to result in pressure from developers to build houses on land that had previously been protected under national and local planning policies. It was likely to take Babergh a further 12 months until yet another Local Plan could be introduced to provide some protection from over development.

**Defibrillators Funding;** Stephanie Coupland announced that she had managed to acquire £1000 in donations towards funding a defibrillator to be sited in the old telephone box in Duke Street, Hintlesham. Stephanie would like to thank everyone who has made this commitment.

Minutes for Parish Council meetings will appear on the excellent Village Website; <a href="http://www.hintleshamandchattisham.onesuffolk.net">www.hintleshamandchattisham.onesuffolk.net</a>
