## CHRISTINGLE and GIFT SERVICE

You are all welcome to this service which  
will be held on

**December 11<sup>th</sup> in St. Nicholas Hintlesham.**

There will be an opportunity to make and  
receive a Christingle and to consider the  
meaning behind it.

There will also be an opportunity to give a  
gift to FIND, and after the Schools' lovely  
Harvest Service, at which Maureen, the  
founder of FIND, spoke so movingly about  
the way the school support the work of  
FIND every year at Harvest and Christmas  
we are sure you will wish to give a gift.

Maureen asked that this year we could  
concentrate on buying vouchers from stores  
in and around Ipswich. It seems that FIND  
often provides clothing, shoes and bedding  
as well as food. So if we can give vouchers  
from Primark, M&S or any of the big  
supermarkets that would be a real help. Of  
course if you wish to give toys or toiletries  
as usual they will also be very welcome.

## HINTLESHAM AND CHATTISHAM CHRISTMAS CHOIR

Please come and join our informal choir. Young or old – and you don't need to be able to read music. We will be doing a couple of carols for the Carol Service at Chattisham Church at 6pm on Sunday 18th December. We rehearse every Monday evening at 8pm at Priory Farm, Hintlesham and would love to see you for a drink and a sing. **Rehearsals start November 14th.**

### CONGRATULATIONS

to Chris and Mick Banyard who celebrated their Golden Wedding Anniversary on the 1st October 2016.

### RUTH FINBOW

Doug Finbow would like to express his gratitude to all those people from Hintlesham & Chattisham who supported both him and Ruth during her illness and who, subsequently offered their condolences when, sadly, Ruth passed away in late August. Your kind words and thoughts were much appreciated.

### GARDENERS QUESTION TIME

A big thank you to all those who attended the Friends' first Gardeners Question Time.

Despite slow ticket sales before the event over thirty people came on the evening to enjoy a great night of gardening questions, soil testing demonstrations and presentations. Special thanks go to our two experts for the evening Mary Williams and Stuart Kellett. Also Adrian Waller for chairing the evening and Julia Faulds, Julia Woolley and Angela Lucabelli for producing and serving great puddings during the interval. The event raised £308 for the Churches restoration fund. Thank you to all those who assisted on the evening.

### FUND RAISER

Following the 101 Cycle Ride held on 17th September 2016 the incredible amount of £3,265.00 was raised (this includes the Just Giving Page ). WELL DONE to Jason and Aaron for taking on this challenge and for all their hard work for making the event such a great success.

Jason and Aaron decided that they would like to spend £500 on a bench in memory of Ruth to be sited at the Community Hall. Once this has been purchased the remainder of the money will be split between the Wolverstone Wish Fund Raising Group and Cancer Research.

A great big THANK YOU to everyone who donated, sponsored or attended the Fund Raising event held on the evening of the 17th.

## **NOTES FROM THE PARISH COUNCIL MEETING HELD IN THE COMMUNITY HALL ON THURSDAY 13TH OCTOBER AT 7.30pm**

Present at the meeting were 10 Parish Councillors, County Councillor David Busby, District Councillors Nick Ridley and Barry Gasper and 6 members of the public. Apologies were received from Ian Bryce and Peter Eaton.

### **Defibrillator**

Village resident Adrian Waller from Zoll Medical gave an informative presentation of his company's defibrillators and Colin Tee provided impartial advice prior to the PC meeting. Defibrillators need to be accessible within 3 to 4 minutes for effective treatment of heart attacks. Grants for a device to be located at the Community Hall will be investigated.

### **County Council Report**

Councillors are still keen to go ahead with Devolution as it will release funds for infrastructure. However there is little public enthusiasm for the venture. The village bowls club have received new bowls courtesy of a Suffolk County Council Community Fund grant. The PC can request Jane Storey to give information at the PC on broadband provision. Councillor Busby has recently attended a dementia training course.

### **Highways**

There have been meetings to discuss speed control. The A1071 will be closed for 3 nights to complete road improvements. The results of a speed/volume of traffic monitoring device currently in George Street will be analysed by Suffolk Highways.

### **District Council Report**

Interviewing for the new Chief Executive is imminent. The post will probably commence at Easter 2017 just in time for Babergh's definite move to their new 'hub', Endeavour House. Meetings with the public will continue to be at the 'spokes', which for us, will be somewhere in Hadleigh. Babergh's existing HQ in Corks Lane will be sold.

### **Multiple Use Games Area (MUGA)**

The MUGA task group presented their recommendation and are ready to undertake a preliminary planning appraisal with Babergh. The scheme is not financially viable without lighting the area during the winter months. The amount of work to get this far cannot be underestimated – a Community Research Survey, Follow Up Costing Research, Location Survey, Contractors Meetings, Other Village MUGA scheme visits, all day Public Consultations, Review Meetings and Stakeholder Engagement notably with the school. Thank you to the PC team lead by John Wyman and Jamie Bostock and supported by Ben Cox, Debbie Archer and Stephanie Coupland. We are also indebted to the considerable role undertaken by Andrew Bryce who initiated the project. As MUGA is a joint venture with the Community Council – any decisions need the backing of both public bodies.

### **Public Transport**

Bus fares rose at the end of August. The cost of a return from The George to the train station will be £6, single £3.50. Obviously, concessions still apply.

### **Vehicle Activated Speed Signs ( VAS )**

Christiana Velloso Langton had provided the PC with the results of her considerable research into the feasibility of VAS as a deterrent to speeding drivers in the villages especially in the environs of the school.

It was agreed to contact the Suffolk County Council Engineer to discuss the siting of VAS. Dave Busby suggested he could arrange the funding of the signs.

The PC expressed their gratitude to Christiana for taking a lead in this venture.

### **Planning**

B/16/0145 Erection of 5 dwellings with garages at the Pony Paddock, Duke Street. The PC attended a site meeting prior to their discussion of this application.

**SUFFOLK COUNTY COUNCIL (PARISH OF HINTLESHAM) (U4305 CHATTISHAM LANE AND A1071 GEORGE STREET) (PROHIBITION AND RESTRICTION OF WAITING) ORDER 201-**

Statement of Reasons

Suffolk County Council is proposing to introduce new measures to prohibit and restrict parking in parts of George Street and Chattisham Lane, Hintlesham.

The purpose of the 8.00 a.m. - 4.00 p.m. Monday - Friday restriction is to improve road safety and reduce congestion by restricting parking along parts of the A1071 in the area of the Primary School. The measures also extend into Chattisham Lane, to ensure any displaced parking does not compromise safety for vehicles using this junction. The prohibition of waiting (double yellow lines) around the George Street/ Chattisham Lane junction are intended to reinforce guidance given in the Highway Code concerning parking in the vicinity of junctions.

A limited amount of on-road parking will be retained along the A 1071 in order to restrict traffic speeds.

**NEIGHBOURHOOD WATCH - BURGLARY IN CHATTISHAM**

Police are appealing for witnesses or information following a burglary at a property on The Street, Chattisham.

The incident took place on Tuesday, 20 September and, following police enquiries, it is thought that the offender(s) forced entry to the property around 3pm by kicking open the back door. A search of several rooms took place and jewellery was stolen.

Police are appealing for public help to trace a man who was seen riding away from the address on a PINK bicycle. He is described as being white, of stocky build, and less than 5ft6ins tall. He has short, dark hair and was wearing a navy hoody with dark cut-off shorts that may have been grey. Witnesses or anybody who saw anything suspicious at the time are asked to call Suffolk Police on 101, Reference 56553/16 or [www.suffolk.police.uk/contact-us/report-something/report-crime](http://www.suffolk.police.uk/contact-us/report-something/report-crime) or Crimestoppers on 0800 555 111

**FIREWORKS WARNING**  
Hintlesham Hall will be holding a firework display on Saturday 12<sup>th</sup> November at 8.00pm

**PLEASE CLEAN UP AFTER YOUR DOG**

More problems with dog-owners not cleaning up after their dogs, this time in Chattisham, on the footpaths from Pear Tree Cottage, across the play area and down to Chattisham Hall.

It is really unpleasant for people walking to have to watch where they put their feet on public footpaths and really selfish of those dog owners responsible, particularly in an area where children play.

**PLEASE CLEAN UP AFTER YOUR DOG.**

# THE CULTURE CLUB

On Tuesday 1<sup>st</sup> November, the Culture Club will be seeing "Sister Act", the smash hit musical comedy directed and choreographed by Craig Revel-Horwood and starring Alexandra Burke, at the Regent Theatre, Ipswich.

"Sister Act" tells the hilarious story of Deloris Van Cartier, a disco diva whose life takes a surprising turn when she witnesses a murder. Under protective custody she is hidden in the

one place she won't be found – a Convent! Disguised as a nun and under the suspicious watch of Mother Superior, Deloris helps her fellow sisters find their voices as she unexpectedly rediscovers her own. A sparkling tribute to the universal power of friendship, sisterhood and music.

If you are interested in receiving information about future cultural events that we will be going to, please contact me at [caroline@thefarralls.co.uk](mailto:caroline@thefarralls.co.uk) **Caroline Farrall**
