**ADVENT BOXES**

It has been suggested, on the Hintlesham and Chattisham Fb pages, that people might like to make "Reverse Advent Boxes".

The idea is to put one item per day, for each day of Advent, so 24 items in all that would be of use to a family in need. Food, toiletries, hats, gloves etc. Starting when you open the first door on your Advent calendar. We have village contacts, through school and church, with FIND and would be happy to deliver any boxes to them in early January.

We thought that the Crib Service on 24th December, 4.30pm in St. Nicholas church would be a good time to collect them in. So see you there. You can, of course, still give Christmas Gifts at the Gift Service.

**NOTES FROM THE MEETING of the PARISH COUNCIL MEETING held in the COMMUNITY HALL on THURSDAY 11th OCTOBER 2018 at 7.30 pm**

---

Present at the meeting were 10 Parish Councillors, District Councillors Nick Ridley and Barry Gasper and County Councillor Christopher Hudson and 3 members of the public. Apologies for absence were received from Chris Leney and Stuart Kellet. Regrettably, Stuart Kellet has also resigned from the Parish Council.

**Number 90 Bus Service;** It has been agreed that the service will continue until March 2019 and then be subject to another review. It goes without saying that this is a case of “use it or lose it”.

**Stars of Babergh Awards 2018;** Both Audrey Lorford and Diane Chase have been nominated for an award in recognition of their magnificent tome Hintlesham & Chattisham; The Story of Two Suffolk Villages. The award ceremony will have taken place at St Mary’s Church Hadleigh on October 18th, hosted by Radio Suffolk DJ, Mark Murphy.

**County Council Report;** Christopher Hudson reported that Suffolk CC had to make funding cuts of £25 million to their 2019/20 budget. He also stated that the projected cost of the Orwell Crossings had risen from £97 million to £140 million, and that as Suffolk CC couldn’t provide the extra finance, it was likely that the project would be abandoned. Cllr Hudson was asked why the £20 million that Suffolk CC would be contributing to the scheme could not be used to fund Social Care for vulnerable residents instead. Cllr Hudson, prompted by Cllr Ridley, then explained that the funding for the Orwell Crossing was from

the Capital Account, and so could not be used for anything other than capital projects.

This is an interesting argument, as at the previous Parish Council meeting, we were informed that Babergh DC had used funds from their Capital Account to balance last year’s budget, and in all likelihood would have to do the same thing this year.

It was also reported that Suffolk CC would be holding two “We Are Listening” events in October. Apparently, there are as yet no plans to hold any “We have taken any notice and are going to do something about it” events.

**District Council Report;** Cllr Barry Gasper said that the Scrutiny Committee was looking into the effectiveness of the Suffolk Crime Partnership, specifically the so-called County Lines drug problem. He stressed that the success of this scheme was reliant on information provided by members of the public.

**Peter Eaton 15th October 2018**

The full minutes of this meeting are available on the village website; [www.hintleshamandchattisham.onesuffolk.net](http://www.hintleshamandchattisham.onesuffolk.net)

**For further information or an informal chat please contact Jo Brown Parish Clerk, on 01473 652677 or email [hintandchat.pc@btinternet.com](mailto:hintandchat.pc@btinternet.com)**

Police are urging residents and businesses to be alert for telephone scams following a report from members of the public in the Hadleigh and more recently, Chattisham, that they had been contacted by a caller claiming to be from the Police asking for sponsorship for delivering presentations to schools regarding online safety.

In both instances the members of public recognised it as a scam, asked to speak to the 'police officer's' superior and the caller hung up. For advice on keeping yourself safe against scams, visit: [www.suffolk.police.uk/sites/suffolk/fraud.pdf](http://www.suffolk.police.uk/sites/suffolk/fraud.pdf) To report incidents of fraud to Action Fraud, go to: [www.actionfraud.police.uk](http://www.actionfraud.police.uk) or call 0300 1232040.

### Dog mess on allotments

Sadly some selfish dog owner or owners are allowing their dogs to run free on the allotments and poo all over the place.

The allotments are private property and letting your dog run around on them and worse, leaving their mess behind, is exactly the same as if it was in someone's garden.

If you do walk your dog through the allotments, please keep them under control on the path and clear up after them. It is not a public right of way and it would be a shame if the owners were compelled to fence the area off.

## THE CULTURE CLUB

We have a full programme this autumn. On 6th September we visited the Globe Theatre in London to see "Twelfth Night". On 31st October we went to the New Wolsey Theatre to watch "Othello".

**8th November** sees us going to the New Wolsey Theatre again, this time to see a new play by Ian Hislop and Nick Newman "**Trial By Laughter**". This is a very funny play about the little man against authority. It is about William Hone, the forgotten hero of free speech. In 1817, he stood trial for 'impious blasphemy and seditious libel'. The only crime he had committed was to be funny. He parodied religious texts, he was funny about the despotic government and the libidinous monarchy.

Then on **17th November** we are travelling to Cambridge for the day where we have a few

free hours to enjoy the city's delights before going to the Arts Theatre to see another new comedy "**The Nightingales**" by William Gaminara. One of the UK's best-loved stars Ruth Jones, makes a rare stage appearance playing the character Maggie who enters the lives of a local a cappella group who meet to rehearse every week and once she does, everything changes....

Finally on **December 6th** we are travelling to the Natural History Museum where, in a custom-built theatre inside the museum, we are watching another new play "**The Wider Earth**", about the adventure that the young Charles Darwin goes on to the far side of the world when he discovers his theory.

If you are interested in receiving information about future cultural events that we will be going to, please contact me at [caroline@thefarralls.co.uk](mailto:caroline@thefarralls.co.uk). **Caroline Farrall**
