From the Registers

Funeral 5th May – Brian Tooke. Service at Hintlesham followed by internment in Chattisham churchyard.

Wedding 6th June – Peter Doolan and Polly Fraser at Hintlesham

Dear Friends,

You may have heard a rumour that we are going 'on sabbatical' in the autumn – it's true, though it is more properly called 'extended study leave'. Clergy are entitled to have 3 months study leave once every 10 years. We have actually been ordained over 12 years and are likely to have retired before the opportunity comes round again. Sabbatical has 3 parts: rest, retreat (or spiritual refreshment) and a study project, and has to be approved by the Bishop and Archdeacon. For his study project, Tim will be looking at new forms of church (called 'fresh expressions', such as Messy Church) which are successful in rural situations, and in particular how they worship. He hopes to visit some examples around the country. There may also be a sideline in developing our rural church buildings as places for prayer and spirituality.

Trish will be studying spirituality as practiced by people outside the more traditional church, and finding links with Christian spirituality in movements like 'New Monasticism' and 'Forest Church'. She will also be looking at the similarities

that there are between Christian practices and such things as mindfulness, meditation, contemplation, and others that she discovers as her study evolves.

While we are on leave, we have arranged cover for all our normal rota of Sunday services mostly from local retired clergy to whom we are very grateful. Enquiries about weddings, funerals and baptisms should be directed to the Hadleigh Deanery Office in St. Mary's, Hadleigh (Tel: 01473 824987). Please contact the Elders in your parish for pastoral issues, though Revd Eric Fisher, a retired priest living in Hadleigh who is now part of our clergy team, will also be available if necessary.

We are very grateful for the opportunity for renewal, spiritual refreshment and exploring new things, and we pray that each of you may be able to carve out time for these things in some way in your lives.

Revds Tim & Trish french

trypraying

If you are the kind of person who has ever tried praying the night before an exam, or when a family member is critically ill, or when faced with a difficult decision, then this may be for you. You may not know if there is anyone out there to hear your prayer, but this website, <trypraying.co.uk>, guides you through a seven day trial to see what answers you get. There is also a little free booklet available (in St Nicholas, Hintlesham and All Saints, Chattisham) if you don't have access to the website.

NOTES FROM THE PARISH MEETING FOR HINTLESHAM and CHATTISHAM
HELD on THURSDAY 11th JUNE 2015 at 7.30pm.

Present at the meeting were 6 Parish Councillors, County Councillor Dave Busby, District Councillor Barry Gasper and 1 member of the public.

Apologies were received from Nick Ridley, Ian Bryce, Chris Leney, Jamie Bostock, Frances Self and Di Chase.

Speeding:

At the behest of local residents, the Parish Council had written to Steve Merry of Suffolk County Highways requesting that a flashing speed limit sign be installed on George Street, Hintlesham. Mr Merry replied that as no fatal accidents had occurred on this stretch of road, he was unable to comply with our request.

Babergh DC:

Barry Gasper reported that a Public Consultation with regard to the East Anglia Three Offshore Windfarm Project would take place from 19th June – 23rd July. This is as a result of changes to the project made by East Anglia Three Ltd. One of the changes being the laying of an underground cable carrying A/C current from the coast to Bramford Sub Station. Cllr Gasper had also attended a recent Open Day regarding the Wolseley Grange development, adjacent to the Holiday Inn, Copdock. He said that the proposed number of houses to be built had increased from 350 to 475.

Suffolk County Council:

Cllr Dave Busby reported that the Beware Children Playing sign was ready for delivery. He also mentioned that he had approached Celotex to see if they would be prepared to resurface the village school

playground at a cost of around £10,000, and that they seemed amenable to the idea.

Dog Fouling:

is still an issue on pavements, the allotments and on footpaths.

Suffolk Association of Local Councils:

Parish Councillor John Whyman had attended the recent SALC Regional meeting and reported Babergh DC Planner Bill Newman gave an update report on the Babergh Local Plan and also spoke on the potential importance of a Neighbourhood Plan.

Babergh Town & Parish Liaison Meeting:

The Clerk and 2 Parish Councillors had recently attended the latest BT & PL meeting and were somewhat dismayed to find that a firm of consultants was involved in an information gathering exercise that should have been easily carried out by Council Officers. The Parish Council has requested that Cllr Barry Gasper find out how much 4 Global are charging Babergh DC for their services.

As always, full minutes and contact details are available on the village website.

Neighbourhood Watch

Suffolk Police are warning the public to be very careful when using an ATM in the street. There have been several cases locally where a person using an ATM has dropped her card which is “kindly” picked up by a stranger and handed back to her. Unfortunately it has been discovered subsequently that the card has been switched for a stolen one and thousands of pounds have disappeared from the bank account.

FIREWORKS

Warning to all owners of animals, Hintlesham Hall will be having a firework display at a wedding at **10.00pm on Saturday 18th July.**
