## BIKES TO AFRICA

Have you any old bicycles hanging around that you no longer have a use for. There is a national charity where volunteers repair old bikes and then they are crated up and sent to Africa for the use of the people there. Imagine, if you have to walk miles for water, how much easier and quicker it would be if you had a bike to ride on. For further details, go to “Re-Cycle Ipswich” on Google or “Bikes to Africa”.

**If you have such a bike to spare, in reasonable condition and not actually falling apart, please ring Kevin Ablett (Ipswich’s well-known bicycle doctor) on 07887 788 972 and he will come and collect the bike from your home.**

## NOTES FROM THE PARISH MEETING FOR HINTLESHAM and CHATTISHAM HELD in THE COMMUNITY HALL on THURSDAY 10th SEPTEMBER 2015 at 7.30pm.

---

Present at the meeting were 7 Parish Councillors, County Councillor David Busby, District Councillor Barry Gasper and 2 members of the public. Apologies for absence were received from Nick Ridley, Stephanie Coupland, John Wyman, Robert Taylor, Margaret Taylor, Jamie Bostock & Ben Cox.

**Crime Report:** A crime report had not been received since June, and again, there was no representative present from Suffolk Constabulary.

**Wolsey Grange:** According to the latest Planning Application by Taylor Wimpey, they have applied to increase the number of houses to be built from 350 to 475. The quality of house design also appears to have been down graded, from a Prestige Gateway Development, to what will now include a row of terraced housing abutting the A1071.

The Parish Council have made a response to the development, pointing out the negative impact increased traffic will have on local roads, and the lack of veracity of the Traffic Report provided by the developer.

The Parish Council have, along with our neighbouring Parish Councils, arranged a meeting with Suffolk County Council, Highways, Portfolio Holder James Finch, to discuss the impact on local infrastructure of Wolsey Grange, as well as prospective developments at Belstead Park, Chantry Vale and the ex Sugar Beet Factory site at Sproughton.

**Devolution; Suffolk Leaders Group:** A group of people including the various Leaders and Chief Executives of the Local Councils, are in

discussion with Central Government regarding the idea of having more financial autonomy but having in effect one Suffolk Council run by a Mayor. To see more details please click on the following link

**Planning:** At the last Planning Meeting in July, the Parish Council objected to Planning Application B/15/00755/FUL on the grounds that it contravened Babergh DC's own Planning Policy. We have since learned that this application has been approved by Babergh's Planning Department. The Parish Council has requested that Cllr David Busby (a Planning Committee member) investigate how Babergh Planners are apparently ignoring, without explanation, their own planning rules.

*B/15/01109 - Barn House, Duke Street, Hintlesham*

Policy CS11 – Residential Development – Erection of 2. Two storey, semi detached, three bedroom dwellings. Construction of new vehicle access, parking and manoeuvring area. To note decisions taken at planning meeting - 27th August 2015

### **Neighbourhood Watch**

A resident in Chattisham has had heating oil stolen from his tank. At the beginning of September, thieves entered his garden from the field at the back, siphoned off the oil from the top of the tank, and, using wheelbarrows, barrowed it back on to the field where presumably a car or van was waiting. The owner thinks they probably took about 200 litres. His tank was padlocked on the bottom tap.

If anyone saw anything suspicious in the Lower Barn Road area of Chattisham, of course the police would like to know about it.

## **POLICE WARNING: Please be alert after bogus officer scam**

Police are urging residents to be alert after a couple were conned into handing over \$5,000 to a man posing as an officer.

The incident happened on Monday 7th September. Around 12.30pm the lady resident, in her 80s, took a phone call from a man claiming to be a detective with the Metropolitan Police.

He told her there had been a fraud on her's and her husband's bank account and that people had been arrested. He then said that she would need to go to her bank and withdraw cash and that this would be collected to be tested. He instructed her not to hang up the phone and gave her numbers to call to confirm his identity. She called these numbers, not realising that the line was still open and that she was still talking to those involved in the scam. She then went into Ipswich and withdrew the money.

A man arrived at their home in north-west Ipswich around 7pm and took the cash. He is described as possibly being of mixed race, with a brown complexion, in his 20s, around 5ft 6ins tall, of slim build with black hair described as being in an Elvis Presley style. He wore dark glasses, spoke with an accent and may have been wearing brown tracksuit-style clothing, and was carrying a bag.

Officers are urging residents not to hand over cash or cards to callers under similar circumstances. Scammers are known to make calls like this to con you into handing over money, bank cards or personal information so please be extremely cautious when dealing with unknown callers. Please talk with older friends or relatives to make them aware of these bogus approaches. Police and bank staff will never ask you to handover money or bank cards, and they will never ask for personal information such as your bank account number or PIN number. Officers are also advising:

- The police will never call you and ask you to withdraw money from your account to give to a courier, taxi driver, officer or any other party regardless of how convincing they may seem
- If you receive such a call leave the landline for at least five minutes before making an outside call. Fraudsters will keep the line open and have been known to play ring tones, hold music and a recorded message down the phone so the victim believes they are making a call to a legitimate number
- Use a friend or neighbour's telephone instead and call Suffolk Police by dialling 101

**Help us keep our communities safe by reporting any suspicious activity.**
